

## WSI Code of Conduct

I understand that it is my responsibility to be on time AND to be *prepared* for each class. According to the American Red Cross 100 % attendance and *participation* in all classes is mandatory. The American Red Cross also states that responsible behavior must be displayed during class time and pool time in order to receive an Instructors Certificate at the end of the course.

(If under the age of 21)

As a parent, I understand that it is my responsibility to support efforts with the WSI class, but that all conversation pertaining to performance will be between Instructor Candidate and Instructor Trainer. The Instructor Trainer will not address any issues with parents. A mid course evaluation will be provided to each Instructor Candidate. According to the American Red Cross responsible behavior must be displayed during class time and pool time in order to receive an Instructors Certificate at the end of the course.
